Registration and Membership

Membership

Only Members of the HKCIP can sit for the examinations. Non members of the Society applying to sit for the examinations have to become Student Members, Affiliate Member or Associates, whichever is applicable, of the Society before taking the examinations. Students, on being accepted as a member, are deemed to be registered as examination student and will be provided with a PIN for examination purpose.

Required Evidence

When submitting your membership application form, you must provide evidence of your qualification as required by the Society. Photocopies of certificates and/or identity should be certified as true copy by an authorized official of the local insurance association or institute.

Registration of Examination

Examination registration form should be duly completed and it should reach the examination office of the Society on or before the closing date for registration as published for each examination.

Examination Time

For the year 2004, Spring session examination will be held in the week of **14th June 2004** and the Autumn session examination will be held in the week of **1st November 2004**.

Closing Date for Entry

The closing date for entry to Spring session examination will be **around April every year**.
The closing date for entry to Autumn session examination will be **around October every year**.

Examination Center

The examination center will be in Hong Kong SAR. Notification will be sent to all examination students individually together with the Examination Admission Permit.

Entry Standards and Exemptions

Certain minimum educational standards are required for entry and you must provide evidence that you have obtained the following:

1. Passed in five subjects in Hong Kong Certificate of Education Examination (HKCEE) or
2. Other academic qualifications as considered by the Committee as equivalent to HKCEE or above.

However, if you are aged over 21 by the date of the examination, with at least two years of working experience and are employed or engaged full time in insurance, you do not need to provide any evidence of academic qualifications to register. Proof of age and working experience are required instead.

Exemptions

Exemptions can be awarded by the Committee if the subject in question has been considered as having substantially covered by a specific external qualification offered by a particular awarding body and has been directly assessed using a standard comparable with those applied to this examination. The Committee shall not award exemption to any one student for more than **seven subjects** in Associateship and **two subjects** in Fellowship.

There is a wide range of awarding bodies for which exemption awards will be considered, such as CII, ANZIIF, LOMA, FSDC, IIHK etc. If you have a qualification, which you consider might provide the basis for an exemption, you can apply together with all supporting documents. Before granting a particular exemption, the Committee may ask for more information.

No exemption will be granted to any subject which you have previously sat and failed in this examination.

Applicants will be informed of exemptions granted in writing. The Committee's decision will be final. No explanation will be given in case of rejection.
